To whom It May Concern:

I, Oscar Roberto Torres Rodríguez, an engineer by profession and a professor at the Gerardo Barrios University, give my recommendation to **Cesia Elizabeth Flores Orellana**, with ID number USIS002020, who is my student, studying Engineering in Computer Systems and Networks.

I would like to tell you that I have assessments of your educational activity: In the intellectual part I consider you disciplined, self-taught, understanding, leader, organized, capable of solving problems based on your knowledge. As for the emotional part, she is sociable, kind, works in a team, respectful.
